

## **Inventory Control Manager**

Pacific Truck Tank, Inc.  
Sacramento, CA 95828

### **Join the Pacific Truck Tank Team!**

Pacific Truck Tank, a premier builder of custom petroleum and propane delivery trucks, is looking for an Inventory Control Manager to join our team in Sacramento, CA.

We are a locally owned company that custom builds petroleum and propane delivery trucks for customers throughout the western United States and Canada. For 40 years, our focus has been delivering quality and reliable service while forming honest partnerships with our customers.

### **We have ...**

- A strong company brand in the petroleum and propane industry that is admired and trusted by our customers, vendors, and partners.
- A strong team environment where you can grow and develop your career.
- A compensation and benefits package that includes health, dental, 401k, and paid time off and holidays.

### **About the job ...**

As Inventory Control Manager, you will manage the company's tank parts and components department. Develop relationships with parts manufacturers. Help the team deliver an outstanding customer experience through exceptional service. Demonstrate the company's core values of respect, honesty, integrity, and safety.

### **Responsibilities include:**

- Manage an efficient parts inventory control management system
- Build and develop partnerships with customers
- Order tank parts and components
- Arrange in-and-outbound shipments
- Calculate supply lead time logistics
- Determine discounts, if applicable
- Schedule shipments
- Stock shelves
- Sell and ship parts to customers
- Design and draw parts
- Work with fabricators on custom orders
- Manage warranty issues
- Troubleshoot problems with customers, transit, and vendors
- Partner with vendor representatives
- All other tasks, as assigned

## About you ...

- Prior experience managing truck purchasing/inventory preferred
- Knowledge of general truck manufacturing, including hydraulic drive systems, fluid transfer pump systems, and tools
- Good mathematical and analytical skills
- Proficient in Microsoft Office (Word, Excel)
- Excellent customer service skills and detail-oriented
- A motivated, organized individual
- Maintain a positive, can-do attitude

If you want to join an industry-leading company that takes pride in helping its customers and employees succeed, Pacific Truck Tank is the place for you!

Wages are based on experience and skill level and will be discussed during the interview.
