

Welder/Mechanic

Pacific Truck Tank, Inc.
Sacramento, CA 95828

Join the Pacific Truck Tank Team!

Pacific Truck Tank, a premier builder of custom petroleum and propane delivery trucks, is looking for a Welder/Mechanic to join our team in Sacramento, CA.

We are a locally owned company that custom builds petroleum and propane delivery trucks for customers throughout the western United States and Canada. For 40 years, our focus has been delivering quality and reliable service while forming honest partnerships with our customers.

We have ...

- A strong company brand in the petroleum and propane industry that is admired and trusted by our customers, vendors, and partners.
- A strong team environment where you can grow and develop your career.
- A compensation and benefits package that includes health, dental, 401k, and paid time off and holidays.

About the job ...

As Welder/Mechanic, you will be part of the tank shop where the team specializes in the building of delivery trucks, tank maintenance and repair, as well as meter installation and repair.

Responsibilities include:

- Building and repairing tank trucks and all the equipment associated with those units, including meters, pumps, hose reels, fittings
- Dismantle, reassemble, and up-fit cargo tank trucks
- Cutting, grinding, and pipe fitting
- Troubleshoot mechanical and electrical equipment
- Install and repair pumps, PTOs, hose reels, and meters
- Locate and repair leaks on piping and meters
- Repair and replace worn parts
- Demonstrate the company's core values of respect, honesty, integrity, and safety

About you ...

- Prior mechanic experience preferred
- Prior truck electrical experience preferred
- Welding experience a plus
- Knowledge of petroleum and/or propane equipment a plus

- Own your own tools and boots
- A motivated individual
- Maintain a positive, can-do attitude

If you want to join an industry-leading company that takes pride in helping its customers and employees succeed, Pacific Truck Tank is the place for you!

Wages are based on experience and skill level and will be discussed during the interview.
